

Date October 27, 2019

Dear Principal,

Greetings from American University of Sharjah (AUS).

I hope the current academic year started on good footing for you and your school, and your plans for the year ahead are progressing in good order.

I would like to take this opportunity to express our gratitude to you and your school for the fruitful and collaborative Sharakah program partnership. This program has gained tremendous momentum since its inception few years back and now is a flagship of AUS' commitment to its community service engagement. This would not have materialized it has not been to your valuable contribution leading to its success.

It is our desire at American University of Sharjah to continue to consolidate this partnership with your school through all initiatives derived from the Sharakah program and our university ethos. As you may be aware, for the past few years, this program provided a platform for collaboratively supporting your students' educational and extra-curricular activities. With your support, the university has been organizing multiple competitions covering various disciplines every year to enrich your student's experience and to give them the opportunity to exhibit their potential and talent. These events have been resonating well with all students, which encourages us to keep building on their successful outcome. This academic year, the university is planning yet another series of programs to be delivered in the next few months. Our hope is that the scheduled programs will prove to be appealing to your school and your students, and we look forward to your participation in all of them.

To keep you informed of these programs, and AUS at large, the university is pleased to invite you and the school counselor to join us on campus to celebrate our partnership and to extend a personal appreciation to you and your colleagues. We will be delighted to welcome you on December 5, 2019 @ 10.00 a.m. to attend the **“Principals and Counselors Appreciation Day”**.

This event will give you an opportunity to meet with the university's senior administrators as well as colleagues from various departments to share with you pertinent information benefiting the school, your students, and their parents. It will also be conducive to a more robust engagement going forward. We

believe that meeting with you and representatives from other partner schools to exchange information will yield positive results to all of us.

Along with this email, the event's program is attached for your review. We are excited to meet you in person and await your favorable response to our invitation.

To confirm your attendance, kindly complete the registration form in the below link:

Thank you for your partnership and we hope to see on campus on December 5, 2019.

Regards,

Ali Shuhaimy
